

## Santa Barbara County Special Education Local Plan Area

### **Policy: SELPA Employees: Hiring, Supervision, and Evaluation**

(BP 2009)

Each SELPA in California is responsible for submitting a SELPA Local Plan to the California Superintendent of Public Instruction via submission to the California Department of Education (“CDE”). One of the components of that Local Plan shall include a provision for administrative support to implement the plan.

The Santa Barbara County SELPA employs multiple staff members and contracts for others who constitute the administrative support to implement its Local Plan. This policy shall govern the hiring, supervision, and evaluation of these staff members.
