Activity # 2 Review of IEPs for EL Students With Disabilities

Directions:
In groups/partners review the EL IEPs provided and respond to the following questions for each below:

IEP #1
  o Is the IEP a fully compliant EL/SPED IEP (related to required elements for students that are English learners)?
  __________________________________________________________
  __________________________________________________________
  __________________________________________________________
  __________________________________________________________
  o What elements in the IEP align to best practices for English learners?
  __________________________________________________________
  __________________________________________________________
  __________________________________________________________
  __________________________________________________________
  o What elements in the IEP are COMPLIANT practices for English learners?
  __________________________________________________________
  __________________________________________________________
  __________________________________________________________
  __________________________________________________________
  o In what ways may this IEP be non-compliant in relation to being linguistically appropriate for English learners?
  __________________________________________________________
  __________________________________________________________
  __________________________________________________________
  __________________________________________________________

IEP #2
  o Is the IEP a fully compliant EL/SPED IEP (related to required elements for students that are English learners)?
  __________________________________________________________
  __________________________________________________________
  __________________________________________________________
  __________________________________________________________
  o What elements in the IEP align to best practices for English learners?
  __________________________________________________________
  __________________________________________________________
  __________________________________________________________
  __________________________________________________________
  o What elements in the IEP are COMPLIANT practices for English learners?
  __________________________________________________________
  __________________________________________________________
  __________________________________________________________
  __________________________________________________________
  o In what ways may this IEP be non-compliant in relation to being linguistically appropriate for English learners?
  __________________________________________________________
  __________________________________________________________
  __________________________________________________________
  __________________________________________________________
IEP #3

- Is the IEP a fully compliant EL/SPED IEP (related to required elements for students that are English learners)?

- What elements in the IEP align to best practices for English learners?

- What elements in the IEP are COMPLIANT practices for English learners?

- In what ways may this IEP be non-compliant in relation to being linguistically appropriate for English learners?

IEP #4

- Is the IEP a fully compliant EL/SPED IEP (related to required elements for students that are English learners)?

- What elements in the IEP align to best practices for English learners?

- What elements in the IEP are COMPLIANT practices for English learners?

- In what ways may this IEP be non-compliant in relation to being linguistically appropriate for English learners?
