Santa Barbara County Special Education Local Plan Area SELPA

The Santa Barbara County Special Education Local Plan Area (SBCSELPA) is a Joint powers Agency mandated to govern and facilitate special education programs administered by the Local Education Agencies (LEAs)/school districts within Santa Barbara County.

Santa Barbara County Special Education Local Plan Area (SBCSELPA) provides an array of services to the 20 school districts and 4 charter schools throughout Santa Barbara County. These services include the following:

- Oversight and case management for students placed in residential treatment nonpublic schools (NPSs).
- Wraparound social work services.
- Coordination of student mental health IEP related services and NPS placements for LEAs.
- Provides BCBA behavioral consult services to LEAs.
- Provides educational audiologist consult services to LEAs.
- Coordinates with private schools for the support of Child Find and Individual Service Plans (ISPs).
- Allocates funding for special education services.
- Providing training opportunities for LEA staff, parents, and community.
- Allocates and manages low incidence equipment and services funding.
- Develops and governs Local Plan special education policy and procedures for participating LEAs.
- Engages in interagency agreements with agencies such as Tri-Counties Regional Center and California Children’s Services (CCS).
- Establishes a Community Advisory Committee (CAC) that advises the governing board and assists in parent and school education.
- Provides Medical Therapy Units (MTUs) for CCS.
- Provides Alternative Dispute Resolution (ADR) to LEAs/ districts and parents/guardians.
- Provides advisement specific to federal and state special education law.
- Provides advisement from State SELPA.
- Maintains the Local Plan, Procedural Handbook, and website www.sbcselpa.org for Santa Barbara County SELPA.
The Law

The Individuals with Disabilities Education Act (IDEA) and California special education laws guarantee all students with disabilities a Free, Appropriate Public Education (FAPE) in the least restrictive environment. The SBCSELPA and its member districts do not discriminate on the basis of race, color, national origin, religion, sex, or disability in educational programs and activities or employment practices, as required by Title 6 of the Civil Rights Act of 1964, Title 9 of the Educational Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973.

Child Find

Special education programs are available to all eligible students with disabilities, ages 0-22 in Santa Barbara County. The Child Find mandate applies to all children who reside within a State, including children who attend private schools and public schools, highly mobile children, migrant children, homeless children, and children who are wards of the state. (20 U.S.C. 1412(a) (3)) This includes all children who are suspected of having a disability, including children who receive passing grades and are ‘advancing from grade to grade.

All individuals with disabilities residing in the state, including pupils with disabilities enrolled in Elementary and Secondary schools and Private schools, including parochial schools, regardless of the severity of their disabilities, and in need of special education and related services, will be identified, located and assessed as required in each district. SBC SELPA, in partnership with the local school districts and county office shall establish written policies and procedures for screening, referral assessment, identification, planning, implementation, review, and three-year triennial assessment for all children who reside in the State of California who are suspected of having a disability. Section 1412 of Title 20 of the U. S. Code.

About SBCSELPA Professional Development Offerings

Professional Development Offerings are created from feedback of countywide staff input from a yearly survey, CDE targets in Special Education Plans (SEPs), and direct input from countywide Special Education Director and Local Education Agency (LEA) District Leadership. Each year, the Professional Development offerings are reviewed/revised with District and County Special Education Leadership and staff to ensure all topics emphasize student, district, and the overall Santa Barbara County needs. Presenter(s), dates/times, and locations are subject to change based on staff attendance and venue availability.

How to Schedule a Professional Development Offering

Mini Professional Development Offerings individualized to each district request.

1. Districts: contact Jennifer Connolly at jconnolly@sbceo.org to request the Professional Development topic.
   - Propose dates/time, and location of training.
   - Requests must be in writing via email, received a month in advance.

2. The presenter(s) to be contacted by Jennifer Connolly with the Professional Development topic(s) and proposed dates. Presenter(s) will affirm date, location, and time.

3. Districts will receive confirmation of Professional Development date(s), location, and presenter name(s) and presenter(s) contact information within five business days of the request.

4. The Professional Development event to be added to the SBCSELPA Online Management System, OMS calendar for tracking purposes.

5. Attendance: Participants of the Mini Professional Development events do not have to register on OMS.

District Special Education Director or Leadership team encourages participants to attend events. District Special Education Director or Leadership team to confirm number of attendees with presenter(s) for handouts.

6. Presenter(s) subject to change due to unforeseen emergencies.

7. District venues subject to change due to number of participants for Professional Development.

8. If more than one district requests the same topic on the same day, event may include more than one district.

Large Professional Development Offerings for North, Mid, South County

Professional Development Event Descriptions by Topic

Adapted P.E.

Properly Assessing Students with Disabilities in Adapted Physical Education and Physical Education: December 9, 1:00-3:00

Content Objectives:

- Understand the laws surrounding appropriate assessment within adapted physical education.
- Understand and apply California best practices regarding assessing students with disabilities.
- Learn and be able to apply assessment tools and techniques within your school/students.
- Analyze assessment tools to best acquire results and build programming.
- Analyze assessment results to develop students' goals and objectives and programming around APE/PE.

Presenter: Dr. Elizabeth (Beth) Foster, Ph.D.

Dr. Elizabeth (Beth) Foster, Ph.D. is an associate professor at West Chester University, PA in adapted physical activity/education (APA/E). She is the APA/E program coordinator and graduate coordinator of the APE graduate certificate. She is currently the assistant director for Camp Abilities in Pennsylvania. Dr. Foster has presented internationally and at national conferences on research and various application-based presentations on vision loss/deafblindness, adaptations, and assessment across the US within the field of adapted sports and APE. She completed intervener training at the Minnesota Deafblind Project. Dr. Foster was named the 2012 Pennsylvania State Association for Health, Physical Education, Recreation, and Dance Adapted Physical Education teacher of the year. In addition, Dr. Foster has been involved with various adapted sport organizations and disability organizations promoting physical activities, fitness, and adapted sports for all individuals with disabilities.

Alternative to Dispute Resolution (ADR)

SBCSELPA and member LEAs promote collaborative relationships with parents or guardians and community agencies ensuring students with disabilities receive free and appropriate education (FAPE). SBCSELPA provides to member LEAs, parents/guardians, and agencies throughout Santa Barbara County alternatives for resolving disputes or misunderstandings in the IEP Process. The Alternative to Dispute Resolution (ADR) goal is to restore positive communication with parents, guardians, and LEAs. ADR meetings save time and money by promoting ongoing collaborative relationships with parents, LEAs, and community agencies.
Participants will learn how to organize and orchestrate effective IEP Team meetings and about a Facilitated IEP Team meeting.

Clare Fowler Mediate.com:  http://www.clarefowler.com/

SBCSELPA ADR Cadre and Clare Fowler provide a four, two-hour series on Alternative to Dispute Resolution (ADR) techniques. September 28 (Day 1) will focus on the importance of pre-planning for IEPs, Facilitated IEPs Meetings and Conferences. November 2 (Day 2) will explore de-escalation strategies for when tensions rise in meetings. March 29 (Day 3) encompasses understanding mental health environments, students and the talent of liberation and communication in particular tackling demographic and mental obstacles through difficult conversations. The final day of the series, April 26 shines a spotlight on resolution with unfinished business including multiple stakeholders. Day 1-3 are recorded training with the SBCSELPA ADR Cadre as facilitators of the events. Day 4 is a 'live' event virtually with Clare Fowler and the SBCSELPA ADR Cadre.

Administrators

SBCSELPA Administrators Academy

Administrators Academy is designed to provide information to new or existing school leaders and Administrators on compliant best practices in special education including topics related to the Special Education Plans (SEP) Targets. Participants will have the opportunity to ask questions and learn about the many programs and procedures of the Santa Barbara County SELPA.

Monday, September 27, 2:30-5:00:

2:30-3:30:  **Collaboration and Proactive Strategies for working with Families in the IEP Process**, Alpha Resource Center and SBCSELPA

3:30-5:00:  **Notetaking in IEP Meetings, Keeping it Legal**, Margaret Saleh, Esq. former Deputy Superintendent, Goleta Union School District.

Monday, October 11, 2:30-4:30:

2:30-3:30:  **Supporting Students with Behavior Needs in School Settings**, Dr. Rosy Bucio, BCBA, SBCSELPA

3:30-4:30:  **SBCSELPA Continuum of Mental Health Services; SBCSELPA Wrap Supports**, Stephan Salter, Mental Health Coordinator, SBCSELPA.

Monday, October 18, 2:30-4:30:
2:30-3:30: **What is SBCSELPA, Special Education Hot Topics, SBCSELPA Programs**, Dr. Ray Avila, Executive Director, SBCSELPA and Jennifer Connolly, Coordinator, SBCSELPA

3:30-4:30: **Creating Cultures of Wellness in Schools**, Alison Lindsey, Mental Health Specialist, SBCSELPA.

**Assessment**

**Patterns of Strengths and Weaknesses (PSW)**

A Pattern of Strengths and Weaknesses (PSW) is one of the three methods school districts may use when determining a student’s eligibility under Specific Learning Disability (SLD) category. As opposed to the discrepancy model, which informs the team if a student is performing more poorly than expected, PSW seeks to determine why, thus effectively linking assessment to intervention. Participants will be presented with information necessary to understand, interpret, and apply the PSW model to SLD eligibility to be consistent with California Special Education law. The different ways of qualifying for SLD will also be presented along with why PSW evolved.

**Assistive Technology/ AAC**

Setting up an AAC Friendly Classroom: 10/6/2021

Lisa Foote, SBC SELPA AT/AAC Specialist will review strategies in how to set up your classroom environment to support AAC users, as well as all students and staff!

Learning Objectives:

- What to do if you have multiple students using different AAC systems in one classroom?
- How to include a variety of low/no, mid, and high tech AAC options in your classroom depending on student needs.
- How to navigate the different approaches in embedding AAC into your environment and/or teaching: (core-words, activity-based, routines, peer modeling, structured/unstructured?)
- Additional tips for building your personal competence in learning to speak and teach AAC throughout the day with your students.

Participants: SDC Teachers, SLPs, OTs, APEs, Parents.
**Autism**

**ADOS Autism Diagnostic Observation Schedule (TBD)**

The Autism Diagnostic Observation Schedule (ADOS) is an instrument for assessing autism spectrum disorder. The protocol consists of a series of structured and semi-structured tasks that involve social interaction between the examiner and the individual under assessment. The examiner observes and identifies the potential diagnosis of classic Autistic Disorder or related autism spectrum disorders, allowing a standardized assessment of autistic symptoms. Each subject is administered activities from just one of the four modules. The selection of an appropriate module is based on the developmental and language level of the referred individual. Module 1 is used with children who use little or no speech. Subjects that do use phrase speech but do not speak fluently are administered Module 2. Module 3 is for younger subjects who are verbally fluent. Module 4 is used with adolescents and adjust who are verbally fluent.

**Evidence Based Practices in Autism by C.A.P.T.A.I.N.**

C.A.P.T.A.I.N. (California Autism Professional Training and Information Network) is dedicated to providing statewide access to training and resources in Evidence Based Practices (EBPs) that are culturally sensitive, family centered, cost effective, and competency based. Supporting locally based trainings with trainers of trainers at the local level. Emphasizing how to use EBPs to assist students in accessing the California Common Core State Standards and developing College and Career Readiness. Providing ongoing training, support, and technical assistance to implement EBPs and ensure fidelity of implementation. Supporting the development of local multiagency collaborations to support consistent use of EBPs. In addition to providing web-based access to materials and resources that are vetted and aligned with current EBPs.

**Menu of event choices for LEA requested event:**

**Behavior**

**Behavior Series**

**Data Collection in Special Education**

In this training, participants will have the opportunity to learn about the most common types of data systems used in special education programs (e.g., frequency, duration) and how different IEP goals require different types of data collection. Particular attention will also be given to how to accurately collect ABC data and participants will have opportunities to practice this through case examples and group activities.

**Understanding the Functions of Behavior**

The focus of this training will be helping participants learn that behaviors are information and serve different functions. Once functions are understood then skills can be developed that allow students to navigate through struggles in a more adaptive manner.

**Fundamentals of Behavior**

To help educational staff broaden their understanding of “behaviors” in students, this training will introduce them to the science of behavior, including the neuro-biological cycle of behavior that is true for all human beings. Additionally, information related to ACES, trauma, learning challenges, and chronic stress experiences will be presented to help participants examine their own narratives about behaviors in students.

**De-Escalation Strategies: Guiding Principles and Next Steps**

In this training, participants will have the opportunity to learn guiding principles for de-escalating students during behavioral/emotional responses and the importance of proactive strategies to mitigate escalation cycles.

**Behavior Intervention Plans (BIP)**

SELPA PENT Cadre members will take participants through all the steps of a behavior intervention planning process.
Multi-Tiered System of Supports for Behavior and Social Success

The implementation of school-wide classroom and research-based positive behavior emotional supports promotes successful social and learning outcomes. In this training, a practical application for social/emotional supports to be discussed. Resources for implementing behavior and social/emotional interventions at each tiered level will encompass this training.

Creating a Culture of Wellness How to support Intentionally and Meaningfully Support Staff Well-Being

Now more than ever, school staff – from teachers to paraprofessionals to office personnel – need to feel connected to and supported by their school family. This past year has taken a toll on everyone and has highlighted the need to, intentionally and meaningfully, support the social-emotional wellness not only of our students, but also of our staff. After all, if our staff do not have the skill set needed to regulate their own emotions, how are they able to teach it to students?

In this two-part workshop, we will cover the concept of emotional intelligence, how to use these skills to enhance and promote the wellness of the educators you support, and most importantly, how to cultivate it within yourself to be a more effective leader. Together, we will review your existing staff wellness practices, discuss new ideas to enhance these practices, and build new practices that lend themselves to the improvement of staff well-being, and in turn, student well-being and school climate.

Audience: School Psychologists, Site Administrators (Principals, Assistant Principals), Special Education Administrators (Directors, Program Coordinators, etc.), Superintendents, Assistant Superintendents.

Crisis Prevention

Nonviolent Crisis Prevention Intervention:

One-Day Refresher:

The One-Day Refresher Course is designed for persons who need to re-certify and have already taken the Initial Course and received certification.

Investment: $21.49 for Staff and Parents of students attending public school within Santa Barbara County, $30 all other participants.
**One-Day Initial:**

The One-day Initial Course is designed for school staff working with students who have the potential for demonstrating “acting out” behavior.

Investment: $21.49 for Staff and Parents of students attending public school within Santa Barbara County, $30 all other participants.

**CPI Physical Training**

Two-hour Unit 8 and 9 Physical Interventions training. In person. Offered in North and South County. All Participants must wear comfortable clothing, bring blue CPI card, water, and wear masks. Trainings offered in North and South Counties.

**Conscious Discipline Modules**

Developed by Dr. Becky Bailey, watch a series of training modules on Conscious Discipline, an evidence-based, trauma-informed social-emotional learning program. At the end of the module, a facilitated discussion will take place to review the information covered.

**Deaf and Hard of Hearing (TBD)**

**Diagnostic Center of Southern California Trainings**

All Diagnostic Center Trainings are prerecorded and FREE. A Zoom link will be sent to participants via the Southern California Diagnostic Center upon registering in SBCSELPA online registration system [https://sbselpa.k12oms.org](https://sbselpa.k12oms.org).

**R-7: October 14: Inclusive Education for Students with Mild-Moderate Disabilities**

Focus of this training is inclusive education and best practices for educating students with mild to moderate disabilities in inclusive settings. Topics discussed: how to utilize research-based practices to develop and implement programs that encourage learning and growth for all students, including but not limited to inclusive education models, effective planning and collaboration, identifying the demands within the learning environment, understanding each individual learner needs, accommodations vs. modifications, differentiation and universal design.

**Audience:** multidisciplinary teams working with students with mild-moderate disabilities in inclusive settings. District Administrators, Special Education Teachers, General Education
Teachers, School Psychologists, Speech and Language Pathologists, Occupational Therapists, and Paraeducators.

Time: 1.75 hours (recorded training)

**R-13 Maximizing AAC Opportunities Within Routines**

Young Children learn through routines and play. As language learning requires a rich meaningful context, it is important that we support our students using AAC within the daily routines at school and at home. This training will review why routines and understanding development matter, how to turn routines into learning opportunities, ways to create communication opportunities and support our student within their routines, and ideas on how to differentiate activities for a range of abilities.

**Audience:** Teachers, paraeducators, SLPs, OTs, parents,

**M-6: November 3: Keeping the Day Sane: Mental Health 101 for Paraeducators**

Many adults handle behavior scenarios with tactics that actually escalate student emotions rather than improve them, resulting in a decrease in student readiness for participation and learning. This training will equip staff with basic knowledge and easy-to-learn strategies that help staff be more successful and keep students safe and ready to learn.

**Audience:** Paraeducators, Special Education Teachers, Administrators, School Psychologists, ERMHS staff, School Counselors and other IEP team members.

**M-8: December 1: Mindfulness Practice: The Educator’s Guide to Help Students Practice Mindfulness**

There is a growing body of research that shows the effectiveness of mindfulness practices for children and adolescents to help regulate their emotions and develop positive coping strategies. Mindfulness practices are also considered an effective intervention to develop empathy and decrease anxiety and aggressive behaviors.

**Audience:** Special Education teachers, School Psychologists, Administrators LCSWs, LMFTs, LPCCs, Clinical Psychologists, ERMS staff or school counselors.

Time: 1 hour (recorded training)

**S-1: January 12: An Introduction to the What’s and Not’s of Attention Deficit Hyperactivity Disorder (ADHD) and Implications**

An introduction to the understanding and complexity and multifaceted aspects of Attention Deficit Hyperactivity Disorder (ADHD). Cognitive, behavioral, social, and academic issues associated with the condition will be discussed. Focus is placed on critical role of executive functioning (i.e., self-regulation and self-goal directed behavior) and how this functioning
explains many of the challenges faced by students with ADHD. Professionals require the understanding of the disorder as it is necessary for effective development and implementation of strategies and supports. Techniques and strategies will be shared that can support students who face challenges associated with ADHD.

**Audience:** School psychologists and anyone with knowledge of psychological tests and psychometrics. Participants should have a basic understanding of executive functioning.

**A-1: March 2: Evidence-Based Practices for Students with Mild-Moderate Autism Spectrum Disorder**

Many interventions exist for Autism Spectrum Disorder (ASD). However, scientific research has found only some of these interventions to be effective. The interventions that researchers have shown to be effective are called evidence-based practices (EBPs). Primary reasons for using EBPs are that the students demonstrated improved outcomes, the interventions are legally defensive, and the use of EBPs align with best practices in education. This training will provide the history on identification of EBPs for ASD and support the understanding and use of EBPs for individuals affected by mild-moderate ASD.

**Audience:** School personnel working with students with mild-moderate ASD.

**Time:** 1.75 hours (recorded training)

G.R.O.W: G.R.O.W. Growth Mindset, Resilience, Other Centered, Work Ethic (For Therapeutic Learning Programs (T.L.P.):

Introduction to G.R.O.W. for new programs and staff

Participants will receive an overview of the G.R.O.W. program, learning about everything from the foundational principles to the specific program components. Through direct instruction, videos, group discussion, and in-vivo practice of skills, participants will learn the science behind the program as well as how put it into practice in the classroom. Although this training is for staff who are new to the G.R.O.W. program, all are welcome to participate.

Skill-Building Sessions

Participants in the G.R.O.W. Skill-Building Sessions can expect to take a deeper dive into the program components covered in the G.R.O.W. Summit. With facilitation, participants will engage in small group role-play activities to practice the skills taught in the session. Additionally, participants will have the opportunity to connect and consult with the G.R.O.W. learning community to learn from others’ successes and problem-solve barriers to program implementation.

GROW Summit

Wow, it has been A YEAR. Take a deep breath (or three) and come join us as we check-in and review how far we have come with G.R.O.W. during the 2021-2022 school year. Participants will have an opportunity to connect with your colleagues from around the county and to share in your successes and challenges in program implementation. As always, this is a space where participants have permission to feel and to “grow” along with us in our journey to create the therapeutic wellness model that is G.R.O.W. We look forward to “seeing” you there!
Audience: Any and all staff who work in and/or support G.R.O.W. programs within SBCSELPA.

Health

Nurses Network

All countywide nurses are welcome to the Nurse’s Network. This two-hour network meeting will provide nurses a chance to collaborate on current changes in school health with COVID-19.

Interpreter/Translator Events

Best Practices in IEP Interpretation with Lena Moran Acereto

Participants will learn or refine the skills needed for interpretation in Individualized Education Plan (IEP) settings. Terminology and remote interpretation will be reviewed in this four hour training.

Interpreter/Translator Network

SBCSELPA and in partnership with SLO SELPA provide a time for interpreters and translators who work in special education a time to share learning and resources. One hour Zoom network meetings offered Dec. 1, February 2 and April 1, 9:00-10:00.

Math: Lindamood- Bell: On Cloud Nine

The On Cloud Nine® Math Program, from Lindamood-Bell, develops the ability to image and verbalize the concepts and processes of math. Concept imagery and numeral imagery are integrated with language to improve both mathematical reasoning and mathematical computation. On Cloud Nine® instruction is effective for elementary math instruction and as an intervention for students of any age or grade level experiencing difficulty in math or not performing to their potential.

The underlying skills that On Cloud Nine® builds are the foundational skills needed to be successful in higher math.

On Cloud Nine® Math develops a student’s ability to:

- Image numerals, numerical concepts, and the number line.
- Count by ones, twos, fives, and tens, and establish imagery for the base-ten math concept.
- Add and subtract with carrying and borrowing.
- Multiply and divide — and comprehend those functions.
- Solve word problems.
- Comprehend decimals and fractions.

Cost: $1020 for five, three-hour sessions; includes the kit.

Network Meetings for all Related Services

Network Meetings are scheduled meetings with staff that serve students in a similar way. Network meetings is a time for Teachers, Speech and Language Pathologists, Occupational Therapists, Adapted P.E. Teachers, School Psychologists, Nurses, and BCBAs to collaborate on topics of their profession. Meetings to occur throughout the year each month.

Nonpublic Schools and Nonpublic Agency Behavior Trainings: (open to all LEAs as well)

NPS/A requirements for annual renewal of certification, including the following as specified in Education Code 56366.1
Requirements for NPS/A renewal of certification:

1. Documentation of NPS/A staff training in the use of evidence-based practices and interventions specific to the unique behavioral needs of the NPS/A pupil population.

2. Trainings shall be provided annually within 30 days of employment to new staff and all staff implementing behavior related services in the NPS/A. (see Attachment)

In response to the requirements for annual renewal of certification, SBCSELPA offers behavior trainings encompassing evidence-based practices and interventions.

Each training satisfies the following conditions:

1. Conducted by licensed or certified persons in fields related to evidence-based practices and interventions.

Behavior Series

Understanding Brain States & Behavior

Participants will be introduced to the applied science of brain states and behavior regulation. The goal of this mini-PD is for staff to begin to understand the underpinnings for all human escalation cycles and how “behavior” is not unique to students with behavioral challenges. Staff will be guided through current research on the topic and have the opportunity to participate in activities that help integrate the content that is presented.

Supporting Students with Behavioral Needs in School Settings

This introductory mini-PD offers participants a brief overview of traditional vs brain-based perspectives on student dysregulation and challenges staff to reflect on their own narratives about student problem behavior. Additionally, a variety of proactive evidence-based practices for mitigating challenging behavior will be presented and participants will have an opportunity to apply strategies to case-studies in a small group activity.

How To “Coach” Students

This mini-PD is focused on practical, hands-on, evidence-based strategies for giving students feedback, offering supporting, and “correcting” pre-escalation behavior. Staff will reflect on how they like to be “coached” and then apply the scientific information shared to case examples they self-generate. The goal is for participants to walk away with a fresh perspective on how “coaching” vs correcting and/or inadvertent shaming of students could broadly help all the students they serve.

Default vs GROW: How our “Lens” Impacts the Way We Support Students

This mini-PD will start with a brief review of brain states and how behavior escalates in all humans, followed by an outline of the differences between “default” vs “GROW” lenses. The objective is for participates to understand what influences our perspectives and responses to student behavior and how students, especially students with challenging behavior, deserve scientific coaching practices rooted in dignity not punishment procedures.

Data Collection in Special Education

In this training, participants will have the opportunity to learn about the most common types of data systems used in special education programs (e.g., frequency, duration) and how different IEP goals require different types of data collection. Particular attention will also be given to how to accurately collect ABC data and participants will have opportunities to practice this through case examples and group activities.
Understanding the Functions of Behavior

The focus of this training will be helping participants learn that behaviors are information and serve a number of different functions. Once functions are understood then skills can be developed that allow students to navigate through struggles in a more adaptive manner.

Fundamentals of Behavior

To help educational staff broaden their understanding of “behaviors” in students, this training will introduce them to the science of behavior, including the neuro-biological cycle of behavior that is true for all human beings. Additionally, information related to ACES, trauma, learning challenges, and chronic stress experiences will be presented to help participants examine their own narratives about behaviors in students.

De-Escalation Strategies: Guiding Principles and Next Steps

In this training, participants will have the opportunity to learn guiding principles for de-escalating students during behavioral/emotional responses and the importance of proactive strategies to mitigate escalation cycles.

SELPA 28: SBCSELPA Continuum of Mental Health Services

Late in 2020, an Ad-Hoc Committee was formed to revise the SBCSSELPA Continuum of Mental Health. This training is to introduce the new Continuum, discuss its function/limitations, and to provide information on two added services to the Continuum: Social Work Services and Parent Counseling.

SELPA 28A: SBCSELPA Wrap Supports Referral- recorded available on SBCSELPA YouTube Channel

The new Santa Barbara County SELPA Wrap Referral is here—and it’s fillable! This short training will explain what Wrap supports are, how the referral process works, and how to document on an IEP. This training will be recorded and available for viewing at your convenience.

Brain-Based Behavioral Perspectives and Support Strategies

Drawing from foundations of interpersonal neurobiology, applied developmental attachment, and specific communication skills; participants will gain a functional understanding of how educators can best support students who present with relational and behavioral challenges. Staff will then be able to calibrate their approach to meet the needs of the student as they exist in the moment, supporting emotional resilience and academic success.
Relational Scaffolding

Drawing from foundations of interpersonal neurobiology, applied developmental attachment, and specific communication skills; participants will gain a functional understanding of how educators can best utilize relationships with their students to support social-emotional development, academic access, and a culture of emotional inclusion.

G.R.O.W. Skill-Building Sessions

Participants in the G.R.O.W. Skill-Building Sessions can expect to take a deeper dive into the program components covered in the G.R.O.W. Summit. With facilitation, participants will engage in small group role-play activities in order to practice the skills taught in the sessions. Additionally, participants will have the opportunity to connect and consult with the G.R.O.W. learning community in order to learn from others’ successes and problem-solve barriers to program implementation.

Self-Care for the Educator

Self-Care for Educators provides a time to reflect on your own mental health so that you can more effectively support students. In the course of our work, we are confronted with the challenging aspects of life. As Educators, we are asked to “do more with less,” and work within uncertain funding and restrictive policy contexts. The circumstances the youth of today bring to school often impacts not only our teaching but takes a toll on the school as a whole. Practicing self-care is an important activity that will help you cognitively, physically, and emotionally “bounce back” each day over the long term.

Parent Support

Mental Health for Families: Supporting the Mental Health of Families and Caregivers during Distance Learning

A presentation of self-care practices during times of acute and chronic stress for parents/guardians/caregivers. In addition, a resource for parents/guardians/caregivers to help support the children in their home during this time of distance learning.

SIRAS

Introduction to SIRAS for new employees

New Staff will learn the how to maneuver through SIRAS and how to create an IEP in SIRAS.
SIRAS updates

The new features in SIRAS created during the summer 2020 to be reviewed in this one and a half hour training.

Advanced Refresher

The Goal Wizard, Service Logs, and Progress Reports to be reviewed in this one and a half hour training.

Conscious Discipline Modules

1. Introduction to Conscious Discipline Modules

Staff will, with a facilitator; watch a series of training modules on Conscious Discipline, an evidence-based, trauma-informed social-emotional learning program, developed by Dr. Becky Bailey. At the end of the module, a facilitated discussion will take place to review the information covered.

Targeted Audience: Any staff supporting a G.R.O.W. (TLP, TLC, STEPS, etc.) Program: Teacher, Mental Health Therapist, School Psychologist, Site Administrator, BCBA, paraprofessional, Program Coordinator, Special Education Director.

2. Conscious Discipline Modules: “Consequences”
