Participating Local Educational Agencies

Participating local educational agencies (LEAs) included in the Special Education Local Plan Area (SELPA) local plan must be identified in Attachment I.

Special Education Local Plan Area—Local Plan Requirements

1. Describe the geographic service area covered by the local plan:

The Santa Barbara County Special Education Local Plan Area, SBCSELPA, is a group of 20 school districts, four charter schools that are their own LEA for the purposes of special education and the County Education Office that have joined together to provide Special Education programs and services. All 25 of the LEA's located in our county have boundaries as far north as Santa Maria, as far west as Lompoc, as far east as Cuyama, and as far south as Carpinteria. San Luis Obispo County SELPA is to the north of SBCSELPA. Ventura County SELPA is to the south of SBCSELPA. And Kern County SELPA is to the east of SBCSELPA.

The SBCSELPA office is located at 5385 Hollister Avenue, Building 5, Santa Barbara, California. The office is staffed by an Executive Director, Coordinator, Board Certified Behavior Analysts (BCBA)/Behavior Specialists (as per LEA/district requests), an Office Manager, a Secretary, Mental Health Specialist(s), Clerical Assistant, Part-time Educational Audiologist and School Psychologist, and an Accountant/Business Official. The SBCSELPA is the regional administrative office which ensures equal access to special education services to students with disabilities.

2. Describe the SELPA regional governance and administrative structure of the local plan. Clearly define the roles and structure of a multi-LEA governing body, or single LEA administration as applicable:

SANTA BARBARA COUNTY SPECIAL EDUCATION LOCAL PLAN AREA GOVERNANCE STRUCTURE

provide staff for the special education programs and services operated by the participating districts and the County Education Office. Funds for staff development, low incidence services and equipment, and program specialists are allocated by the SBCSELPA for services in the districts. Regionalized Services funds support the SBCSELPA office. The office reports data to the California Department of Education, such as the December Special Education Pupil Count and June Pupil Data Report. The SBCSELPA is responsible for policy development, nonpublic school placements of district students as appropriate, allocation and reimbursement of funding for dispute resolution/due process, governance of participating LEAs adherence to SBCSELPA policies and procedures and oversight of interagency agreements with agencies such as Tri-Counties Regional Center and California Children Services.

The SBCSELPA Executive Director meets with a committee comprised of the special education administrators and business officials from districts in SBCSELPA on an as-needed basis. The meeting agendas focus on utilization of available resources, processes and procedures for identification and placement of children with disabilities, and cooperation to ensure that all children receive their appropriate and necessary services.

The SBCSELPA Executive Director reports on a monthly basis during the school year to the JPA Board. The Joint Powers Agency Board is the decision-making body for the SBCSELPA and derives its power from the statutes of the State of California and from a Joint Powers Agreement approved by all school districts in the county. It is the policy of the Board to encourage public participation in the Board's activities in order to fully promote communication with interested persons and entities in the county.

All meetings of the Board are public and accessible to the disabled. Deliberations of the Board, except for those appropriate for closed sessions, shall be conducted openly and all actions taken in public session.

(EDUCATION CODE. 56205(b)(4))

8000 Governance / 8100 Joint Powers Agency Board / 8102 Public Participation at JPA Board Meetings -

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda and, during regular meetings, any item within the Board's jurisdiction.

Procedure for Those Wishing to Speak

Before the Board meeting begins, persons wishing to address the Board are requested, but not required, to fill out a "Request to Address the Board" form obtainable from the SELPA Administrative Secretary or from the table near the entrance to the meeting room. The form is to be filled out and returned to the SBCSELPA Executive Director or his/her secretary before the meeting begins. At the appropriate time, the Board Chairperson will call upon the persons requesting to speak.

Public Participation Procedures

In order to conduct business in an orderly and efficient manner, the Board requires that public presentations to the Board comply with the following procedures:

1. Every regular and special meeting agenda shall provide an opportunity for members of the public to address the Board. All such comments will be received during the Public Comments section of the agenda. Individuals who address the Board are limited to three (3) minutes to speak on any item and a total of 10 minutes on all items for their presentation. The Board may limit the total time for all public comment to 30 minutes. (Education Code § 35145.5, Government Code § 54954.3) The Board may determine to take public comments either when agenda items are heard, or during the public comment section of the agenda, preceding the consideration of individual agenda items.

2. All regular meeting agendas shall provide an opportunity for members of the public to comment on matters not listed on the agenda, but within the subject matter jurisdiction of the Board. (Education Code § 35145.5, Government Code § 54954.3)

3. A person wishing to be heard by the Board shall first be recognized by the chairperson and shall then proceed to comment as briefly as the subject permits. Individual speakers will

SELPA

Santa Barbara County

Fiscal Year

be allowed three minutes to speak on any item, or, if all public comments are taken together before the Board takes up individual agenda items, a total of ten minutes to address the Board on all items will be normally allowed per speaker. The Board may limit the total time for public comment to 30 minutes. With Board consent, the chairperson may increase or decrease the total time allowed for public presentation, depending on the number of persons wishing to be heard. The chairperson may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add.

4. The Board shall not prohibit public criticism of its policies, procedures, programs, services, acts or omissions. (Government Code § 54954.3) In addition, the Board may not prohibit public criticism of individual employees. However, whenever a member of the public initiates specific complaints or charges against an employee, the Board chairperson shall inform the complainant that in order to protect the employee's right to adequate notice before a hearing of such complaints and charges, and also to preserve the ability of the Board to legally consider the complaints or charges in any subsequent evaluation of the employee, it is the policy of the Board to hear such complaints or charges in closed session unless otherwise requested by the employee pursuant to Government Code § 54957.

5. The Board chairperson shall not permit any disturbance or willful interruption of Board meetings. Persistent disruption by an individual or group shall be grounds for the chair to terminate the right of addressing the Board. The Board may remove disruptive individuals and order the room cleared if necessary; in this case, members of the media not participating in the disturbance shall be allowed to remain, and individual(s) not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to a disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code § 54957.9)

6. Without taking action, Board members or SELPA staff may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, a Board member or staff member may ask questions for clarification, make a brief announcement, or make a brief report on his/her own activities. Furthermore, the Board or a board member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code § 54954.2)

7. Under Board Bylaws, Roberts Rules of Order (Revised) normally guides the conduct of Board meetings. Such rules are intended to apply to Board member deliberations and may not be invoked by other persons. Although Robert's Rules of Order can serve as a useful guide, the Board may use any procedures that allow it to conduct its meeting in an efficient, consistent manner.

12. Describe how specialized equipment and services will be distributed within the SELPA in a manner that minimizes the necessity to serve students in isolated sites and maximizes the opportunities to serve students in the least restrictive environments:

6000 Special Education - Instruction / 6400 Implementation / 6401 Continuum of Program Options -

The Santa Barbara County Special Education Local Plan Area (SBCSELPA) which is made up of all the school districts in Santa Barbara County and the County Education Office will operate programs which will ensure a continuum of program options for all individuals with exceptional needs in the least restrictive environment. The operation of programs will utilize instructional personnel within the SBCSELPA or outside SBCSELPA that could include non-public agencies to offer the continuum in the most effective manner possible.

(EDUCATION CODE SECTION 56360)

6000 Special Education - Instruction / 6400 Implementation / 6425 Least Restrictive Environment -

To the maximum extent appropriate, children with disabilities, including those public or private institutions or other care facilities, are educated with children who are not disabled. Special classes, separate schooling, or other removal of disabled children from the regular educational environment occurs only when the nature or severity of the disability is such that education in regular classes cannot be achieved satisfactorily.

Special education programs, to the maximum extent appropriate to student's needs, are housed on regular school campuses and dispersed throughout the district.

Programs for students with severe disabilities shall be located in age-appropriate, non-segregated, school settings to the maximum extent possible.

The physical location of the program is intended to facilitate continuing social interaction with students without disabilities.

Long-range plans and commitments for physical housing on regular school campuses are made in order to avoid frequent and disruptive program relocations.

Through long-range commitments for physical housing on regular school campuses, individuals with exceptional needs are afforded opportunities to develop and maintain continuing relationships with nondisabled peers.

6000 Special Education - Instruction / 6400 Implementation / 6426 Least Restrictive Delivery Systems -

The Santa Barbara County SELPA will provide a full continuum of program options to meet the educational and service needs of individuals with exceptional needs in the least

SELPA

Santa Barbara County

2020-21

restrictive environment.

The IEP team shall determine the extent to which an individual with exceptional needs participates in regular education with students without disabilities. The determination of appropriate program placement, related services needed, and curriculum modifications is made by the IEP Team based upon the unique needs of the disabled student rather than the label describing the disabling condition or the availability of programs. Individuals with exceptional needs are offered programs as identified on the IEP which promote maximum interaction with the general school population in a manner which is appropriate to the needs of both. (EC Section 56001(g)).

Program and service alternatives considered by the IEP Team will be documented on the IEP.

As each service alternative is considered by the IEP Team, significant consideration will be given to the pupil's opportunity to interact with age appropriate regular education peers as well as meeting the educational needs of the pupil. It will be the responsibility of the IEP team to determine the appropriate balance between special services and the regular program. Individuals with exceptional needs shall be grouped for instructional purposes according to their instructional needs (Ed. Code 56031).

Special Education Local Plan Area Funding Distribution

Describe the basic premise of the SELPA Allocation Plan for distributing dollars as closely as possible to how they are earned.

I. GUIDING PRINCIPLES

The Long-Term AB 602 Special Education Fiscal Allocation Plan has been designed to address the following objectives:

1. Provide an incentive for operating cost-effective programs for students in public school programs.
2. Provide no incentive for districts to over-identify students for special education.
3. Provide full-funding for regional programs.
4. Ensure that special education funding is distributed proportionately to LEAs.
5. Acknowledge that the AB 602 Funding Allocation Model will not cover the total costs of special education services and districts will need general fund contributions to cover unfunded special education costs.
6. Keep program requirements in mind as well as the Maintenance of Effort requirement in Federal law (Title 20 U.S.C. §1413(a)(2)(C)(i) and Title 34 CFR §300.205) that there are restrictions when an LEA may reduce the level of special education expenditures "from local funds below the level of those expenditures for the preceding fiscal year."

II. ALLOCATION OF AB 602 INCOME

The total SELPA special education block grant will be received at the SELPA level for distribution to the special education program operators. The JPA Board authorizes the SBCSELPA Administrative Unit to act as the fiscal agent for the SBCSELPA. Funds for SBCSELPA-funded services shall be taken off-the-top prior to distribution of the remainder of the AB 602 block grant. The SBCSELPA follows the allocation model that the State uses and the remaining AB 602 funds is distributed to districts based upon the greater of the prior year or current year certified P-2 ADA. In the event of a declared emergency or approved J-13 waiver, the revised P-2 ADA will be used.

Section D: Annual Budget Plan

SELPA

Fiscal Year

Describe how the SELPA distributes IDEA revenues to the LEAs, including the models used to provide services to member LEAs:

Santa Barbara County SELPA distributes IDEA Local Assistance Entitlements revenue to the LEAs in the same manner as the State funding based on certified P-2 ADA. Preschool Local Entitlements are distributed to elementary schools grades K-6.
