DISCLAIMER: SBCSELPA will maintain a courtesy list of potential Independent Educational Evaluation (IEE) evaluators who have agreed to the agency's criteria; however, the SBCSELPA or its member LEAs/districts does not endorse the evaluators listed and are not responsible for any liability that may arise from use of any evaluator listed. It is recommended that parent/guardians request a copy of potential evaluators' resume or vitae, ask for references, and request a written proposal that includes the itemized costs for the evaluation, including writing the report and attending the IEP meeting, prior to making a final selection. It is recommended that parent/guardians contact the LEA/district prior to making the final selection of an IEE evaluator to ensure that the evaluator meets the agency's licensures/credentialing criteria.

Note: Evaluators cannot recommend their services/programs per guidelines, and all evaluators must be appropriately credentialed with the CDE.
