HOPE is a Social Skills intervention service intended for individuals who are interested in learning ways to help them make and keep friends. Our program includes individually tailored goals which address each individual's unique needs. In addition to our individual goals, HOPE also focuses on weekly group didactic lessons which include concrete rules and steps needed to understand and engage in appropriate social behavior. During each group session the group members are taught important social skills and are given the opportunity to practice these skills during role play and in-vivo opportunities. Caregivers are debriefed after each individual or group session and are regularly given handouts to understand the didactic lessons being taught. Caregivers are expected to understand their Teen's individual and group goals and how to maintain them after intervention is completed.

In the year 2000 PCS began consulting not-for-profit and privately held companies that provided services to people with developmental disabilities. Discouraged by the lack of services for people with disabilities, in 2002 PCS incorporated began providing Supported Living Services in Ventura County. The original focus of PCS was to assist people living in restrictive environments such as developmental centers in moving into more inclusive living arrangements. In 2003 we opened our first specialized Adult Residential Facility in Ventura. In 2004 PCS expanded our Supported Living Program to Santa Barbara, CA. In 2006 we expanded SLS to Los Angeles County and the Antelope Valley. In late 2006 we began Independent Living Services. In 2007 we opened our FADE program. In 2008 we opened two more Adult Residential Facilities in Los Angeles and Ventura. In 2009 PCS proudly opened our Behavior Modification Program in Camarillo, California. In 2010 PCS expanded SLS to San Gabriel, Pomona area as well. 2013 PCS opened a behavior modification program in Santa Barbara, California. In 2015 PCS is proud to be relocating our behavior modification program to Newbury Park, California.
